Examiner: Isis A.D. GHALI

Title: HYDROGEL COMPOSITIONS WITH AN ERODIBLE BACKING MEMBER

INFORMATION DISCLOSURE STATEMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is an Information Disclosure Statement submitted for the Examiner's consideration. A PTO-1449 form listing the references accompanies this paper. Applicants would appreciate the Examiner's initialing and returning the form to indicate that the references have been reviewed and made of record.

This Information Disclosure Statement is not intended as a representation that a search has been made, that additional information material to the examination of this application does not exist, or that any of the references on the PTO-1449 form constitutes prior art to the present application within the meaning of 35 USC § 102.

To the best of undersigned counsel's knowledge, the relevance of the Korean language patents is described by the accompanying English language abstracts.

A machine translation of Japanese published patent application Hei 10-017448 is also attached. This translation was obtained from the website http://www.ipdl.inpit.go.jp/homepg_e.ipdl. That website itself indicates that the translation is crude and not to be relied on.

The Commissioner is hereby authorized to charge any additional fees under 37 CFR §§ 1.16, 1.17, and 1.21 which may be required by this paper, or to credit any overpayment, to Deposit Account No. 18-0580.

Respectfully submitted,

By:
